**NOTICE OF REGISTRATION OF TRADE NAME**

On September 19, 2001, Eagle Jet Charter, Inc. d/b/a Eagle Air, a certificated air carrier,<sup>1</sup> requested that the Department register the trade name "Scenic Airlines" for use in certain of its air transportation operations.

Part 215 of the Department's regulations provides that any carrier wishing to use an alternative trade name must first register that name with the Department. The rule further states that the Department may register such trade name after the carrier gives notification to similarly named carriers of the proposed use of the trade name. The trade name Scenic Airlines is utilized by Eagle Canyon Airlines, Inc., another certificated air carrier.<sup>2</sup> However, both the applicant and Eagle Canyon Airlines are under common ownership and control and together operate as part of a unified business enterprise. Eagle Jet Charter's registration of the "Scenic Airlines" trade name is fully supported by Eagle Canyon Airlines.

Under these circumstances, we are approving the request of Eagle Jet Charters. Registration of the trade name "Scenic Airlines" will become effective on the date of this notice.

Dated at Washington, D.C. **October 2, 2001**
